“ Prayers to the family from long time neighbor Pamela Colban. Many wonderful memories of time spent with the Smith family! I know my parents, Pete and Betty Colban had wonderful times with Kate and Clarence and if not mistaken, Randy was a reason my brother Peter wanted to go to military school at Tork Union. I always felt as though I was a special part of the family and enjoyed chatting on the back patio with them, getting there by sneaking through the shrubbery dividing our yards.
