“ Cathy was one of my best friends in high school. We rode the Vo-Tech bus together and we'd go out and do things on the weekends. Sometimes we get together since high school but we just didn't get together enough. I regret that. I'm going to miss you a lot girl. You, me and Tam were supposed to grow old and get together and play bingo and do "other" things you always enjoyed doing.

*My thoughts and prayers are with are you family, and with Gina and Cory and your children.*
