“ Shirley was a fantastic worker, had such a wonderful laugh, and a great "git-er-done" attitude! I worked with her for 10 years, and I will always remember her fondly.

“ I would like to extend my deepest sympathy to Cerlita's family. I had the pleasure of working with Cerlita in the book department at Ollies warehouse, and also for hiring her. She was such a little workhorse, and she put others to shame on how hard she always worked. I have a lot of memories of her and I will hold them in my heart always. God Bless your family at this difficult time. Linda Batchelor

“ Shirley was great neighbor for 29 years. I will never forget the time our children got lost and we were frantic running all over the neighborhood looking for them. She was definitely more cool and calm than me. You will be missed!
