

Charlene E. Barton

August 5, 1952 - December 23, 2023

Charlene E. Barton, 71, of Lebanon passed away Saturday, December 23, 2023 at the WellSpan Good Samaritan Hospital.

Born in Darby, PA, she was the daughter of the late John J. and Arlene L. (Reed) Barton. Charlene graduated from Downingtown High School in 1970, graduated from Immaculata University in 1974 with her Bachelor of Arts in biology and received her MBA in 1982 from Central Michigan University. She worked as a formulation support manager for Wyeth and Pfizer Pharmaceuticals for 18 years prior to her retirement. Charlene was an EMT in New York and in Downingtown, PA.

Charlene had a love for animals, especially dogs. She truly loved her 2 Springer Spaniels, Barney and Bailey. She connected with the people in the community when she would ride her favorite scooter around the complex, talking to folks and handing out her doggie treats. She enjoyed collecting all types of frogs for display inside her curio and anywhere they would hang or sit inside and outside her home. She especially enjoyed being a BINGO Caller at her community clubhouse and was an avid GAME Channel consumer. She coordinated residents' information and procured advertisements for her Community's Directory.

She was the last of her immediate family. Her brother John preceded her in death in 2004.

In accordance with her wishes, there will be no services.

“ *Charlene was a special person who could be grumpy and in the next breath be a sweet and loving person. How can anyone who loves frogs be all bad? I will miss her so much, I loved her. Judi Farkas*

“ *Charlene bonded with us over our common bond of living in Downingtown. She revealed that she had attended the same elementary school as our kids! She had quite the personality and will be missed by her many acquaintances in Alden Place.*
