“ So sorry to hear of Chuck's passing. He did a great job of organizing the Music in the Park concerts and we benefitted greatly from them. Loved the casual setting and how he used to walk around and greet all the people. Just learned about his passing yesterday. So sorry. Our thoughts and prayers are with you. Glenn & Cathy Garman

“ When I think about Chuck, I first think about the infamous bus trip with YFC kids to Florida in the OLD bus. Chuck asked me to help drive the bus. Despite a few "problems" that trip was epic! We stayed at "Indian River Lodge" which was delightful. I still bump into people who went on that trip and they always say "it was wonderful!" Lives were impacted for eternity.

I remember vividly, passing out tracts and witnessing on the beach in Daytona Beach! I also remember one special kid who wore a "Donald Duck" hat he bought at Disney World. I remember Tim P., who went on that trip, who later worked as a police officer with me! Great memories. I remember Music in the Park and the Booth Brothers. You had to get there early because the park was always jammed when they came. We'll miss Chuck as will many others. May God comfort Judy and his girls. - Dan J

“ Chuck is a one of a kind gentleman. I could not be more grateful for the hard work he put into promoting Gospel music over the years. The Booth Brothers benefited tremendously from his tireless efforts. Personally, I just like him. The more I got to know him, the more I loved that big heart of his.

He will be missed!
