“ I had the privilege of meeting Chris when travelling to the East Coast. Even though our time together was limited, he has definitely made a lasting impression in my life. Chris was a good man, and I will always cherish our time spent together.

“ Chris Krall was a good man. He was a husband, my uncle and a friend to many people. I always admired my Uncle Chris and have a great deal of respect for him. Uncle Chris made me happy when I was a child. He was very generous man and always helped me. He kepted my cars on the road when I made my long journeys between California and the east coast. He taught me a lot about respect and helping others. I will miss Uncle Chris and he will remain in my heart forever.
