“ i never really knew Christion, but we were family and thats all that matters. No matter how close any of us ever are or were, family is family. Family is meant to stick up for each other, to be there for anyone when needed. And that is what our family always does. Prayers to the rest of the family.

“ It's never easy losing a Loved One. Especially when it is someone so young or taken so sudden. We are never ready to lose anyone no matter how many years we had with them. It is never enough. This place we now live that we call Life, is just a stay over till we get to our Eternal Life. May the Peace of knowing Christion is resting in GODS Arms bring you Comfort. So until you meet again.
