“ I will always remember you and Sandy helping the Campbelltown Fire Co. , at the Carnivals. Anyone coming to the Carnivals would certainly see both of you collecting money at the front gate.  
My deepest sympathy to the family.

“ *Many years of working together at auctions. Never a dull moment. Will always remember the many good times, long hours, and never knowing what might happen when we were together. The sugar cookie auctions, pulling pranks at auctions and his hearty laugh are just of the few memories we will always remember. Sandy and family - the memories will always be with you of both the good and bad times. Harry & Sandy Bachman.*
