“ Dear Snyder and Kutzman families, Connie was always a joy to work with. She was smart, friendly and always happy to answer our questions in detail. It was always fun to see her put people in their places in a very nice, friendly but firm way. She was one of the most knowledgeable people in her office and we enjoyed working with her either in Domestic Relations or bugging her to run a calculation for us at support hearings. She will surely be missed by the Lancaster Family Bar. I am still in shock at the news since we just received an order that she prepared and signed on September 26, 2019. Know that we will pray for Connie and her family during this difficult time.
