“ Cory was a great guy and amazing Father. His kids were the most important people in his world, (I was a close second and proud to be so) I will forever miss dance parties in the car. Every time I baked you an apple pie... it was gone before it could cool down. We finished each other's sentences, and our minds were always on the same page. You were the ONLY person our kids and I could truly depend on. We love you so much.
