“ I am so sorry to hear about Henios passing. He was such a kind person. The Lord gave him to us and now has taken him back to Heaven. It is hard to believe that he would want to take someone so young and full of life back home. But Henio did his job and brought joy and love into so many peoples lives. I am glad that I had the chance to get to know him even if it was just a little. Thank you Lord and Henio we will see you again someday. Peace!
