“ *We where very sad to here of Cindy's passing. Our prayers are with you today, and in the months to come. We have fond memories of our friendship with Don and Cindy as a couple and as we started our families together in Pillow and E'ville. We value the friendships at that time and found that the quality of those friendships are never duplicated. We regret that we were not able to better stay in touch with you over the past 25 years. Again, our thoughts and prayers are with you. Love, Jim and Mary Weaver*

“ I remember Mrs. Schade's first day at Lenkerville Elementary. I was very involved in the music department all through elementary and high school. My most special memory was when as an elementary student (with only two years of piano under my belt) she allowed me to play an original piece of mine IN CLASS. She always encouraged her students in their musical abilities. She was a great person and a great teacher. She made a difference in the lives of many.
