“ I always loved my Aunt Daisy for all the healthy living suggestion over the many years; for helping me fly the MAC flights all over the good ole USA; for traveling all the way to New Mexico to show us her and Harry's RV (and to say HI); and for all the great things that a "great" aunt does! We will miss her. I hope that she will tell Her Brothers, my Uncles and my Father Hi for me, I miss them all!! We Love You Aunt Daisy, Jay and Resa
