“ *Dear Lehman family, my deepest condolences on your loss of Dan. I worked with Dan years ago at Central Penn Business School, and spent some time with him white water rafting & fishing (during that time period). I lost touch with Dan over the years and was surprised to read about his passing. Again, my sincere condolences.* ”

“ To the Lehman Family, Thinking about you at this difficult time. The shock of Dan's death still seems unreal -- he was a great guy and had a great personality. I will especially miss his "late ads" that I would have to beg him for on deadline day.

“ Uncle Paul, Diane, Dave and families, Losing Dan is unbelievable and just doesn't seem right. I will miss his "Hey Rob! How are ya?" greeting when I go to the Nursery; and the laughs we used to share about my Dad taking care of the dogs every day - when we all know he is either napping or watching the Price is Right! I'm praying that your sadness will soon be filled with all the good memories you have of him and his infectious smile! I will miss him. Love - Robyn
