“ I worked with Darlene at the Gap. I remember our walks, talks and lunches together along with other friends and fun times outside of work. I remember her sense of humor and her love of gardening and her loving family. In recent years some of us went to the Gap reunions where we reminisced and had fun. I will always remember Darlene as my good friend keeping her close to my heart.

“ Sorry to hear of Darlene's passing, we worked together in the payroll department at FTIG many years ago but I do remember her kindness. Prayers to the families during this difficult time.
