“ Darrell, we only knew you for a very short while. When you and Sylvia came to our mountain cabin in NC, you brought us a beautiful birdhouse that you had made and a little train car to hang on our porch. We knew you were a gentle soul when our dog, Simon, took to you. Glad we got to know you.

John and Lana - January 23, 2018 at 07:27 AM

We had a photo of Darrell sitting on your porch with Simon on his lap that we used in the memorial DVD

“ Darrell one of the funniest memories I remember of you is the time you were showing me your drone. You were telling me if you knock it off balance it would self level. Then you went and knocked it off balance and it crashed to the ground and broke. Until we meet again my friend, rest easy.
