“ I haven't talked to Dave since the 70s, but we were the best of friends through much of elementary school. We were all Three Stooges fans, and he was the greatest of all the Three Stooges imitators! Another fond memory is heading down to his basement to listen to Cheech and Chong albums! He was a great guy who will be sorely missed!

“ David was someone that I didn't know for long but had such an impact on my life. He was kind and loving and drew people to him. I feel so blessed to have known him for the short time that I did. His memory will live on through my daughter and I. We love you David. We pray and ask that God will give you a resting place in His home. Until we meet again on the day that we all have a resting place in God's heavenly home. What a day of rejoicing that will be.
