“ So very, very sorry and heartbroken to learn of Dave's passing. I have wonderful memories growing up and visiting all of our Annville cousins during holidays and other events and all of the fun times spent with Dave. We shared many laughs! I feel we were rather close during those childhood moments and unfortunately, as time marched on, we had grown apart. I very much miss those earlier times. My wife Sally and I wish to express our deepest condolences to Dave's entire family, Rick and Marie, Jim and Denise, Barb and Karen. We love you all dearly and will be thinking of you today.  
Love,  
Gregg and Sally Bowman
