“ *I get on my knees and pray, but it doesn't change the way things really are. It won't bring you back again. I love you like crazy, it comes so easy after all we had. I love you with all my heart, but the hardest part is, I just can't love you back. I love you for all I'm worth, to the ends of the earth, but baby, I can't love you back.*

“ *My Loving David, our words to one another, "I miss you madly and cannot wait until you are in my arms again. I love you with all of my heart."...written and spoken time and again. My handsome man, my sweetheart, love of my life, I pray that our loving Jesus will hold you close until I am in your arms again. Mere words shall never begin to express what is between us and shall endure forever.*

“ *So many times we've told each other, "I miss you so much, I miss you madly, I can't wait to see you again." Now I realize how hard these words fall upon a broken heart. I am unable to express the pain I feel since you've been gone and I treasure each and every moment we've shared. You are the love of my life...now and forever. As you have told me so many times...I love you with all of my heart and I cannot wait to be in your arms again. I love you baby...with all of my heart. I pray that Jesus holds you close until I see your handsome face again.*
