“*Dave was a brave and wonderful person...I have great memories of times together with Ann and Dave in Delaware when we were young. We began our teaching careers at the same time and really grew together..and then when we reconnected years later by accident when I ran into Dave at a conference at LVC. We lost touch but somehow when we met up again after many years it was like a continuation of a friendship...Dave's physical issues did not diminish him and he was a good friend to Mark and myself...I cherish our times together, our dinners out, and the laughs we shared!!! “*I have known Dave for almost 20 years and always found him to be a true professional. David was always positive and represented the college and the profession well. He contributed much to the profession and I know the students he he worked with are better because of him. Dave will be missed by all who shared time with him. His quiet presence was always felt and respected. I know I am a better person because of my association with him. He is missed!*

“*My deepest condolences on the passing of your husband and father. I knew Dave for many years, as a member of both CPEC and PACS. We served on many committees together and shared many stories and good times together. I always enjoyed his stories about you, his family. God Bless Dave and you all!*

“ Dear ann and Family, Please accept my sympathy on the death of your husband and father. Dave was an active member in PACCS during the 80s and 90s and that is how I got to know him. Although we were not close friends, we always spent time at the state conferences discussing career services issues and sharing ideas. He was a good man and got things done in a quiet way. He was the person who worked with Senator Rhoads to get the PA standard application approved by the legislature. This was important legislation because it really simplified the application process for teacher candidates across the state. Again, you have my condolences. Sincerely, Tony Linnan Co-Director Career Services @ Slippery Rock

“ I got to know Dave first as our son's soccer coach when Matthew was 5 years old, about 18 years ago. His patience was unending (so it seemed) for those little ones! :) A great coach!!!! Here at the College, Dave was always upbeat and wearing a smile. He will be missed dearly. Our sincere sympathy to Ann and the children.

“ Dave always had a smile and warm greeting for me, always upbeat. I've missed him since he left the school, and I'm so sad he's gone.

“ Mike and I are so sorry to learn of Dave's death. He was a wonderful person who truly cared about others and backed up his concerns with action. We worked with Dave at Lebanon Valley College for a number of years. He was incredibly helpful to students -- both in his capacity as a career counselor and also as a mentor and friend. For several years, the college did exit interviews with graduating seniors, and it became clear from those interviews how many students Dave had assisted -- both in finding jobs and internships and also in determining a path for their lives. He continued to work with some alums long after they left the college. He was an unsung hero in many ways. Dave was also a good colleague and friend who went out of his way to be kind and gracious. He will be missed. We send our sincerest sympathies to his wife and family. Judy Pehrson and Mike Day
