God Bless Dave, left this earth way to soon. When we were at family gatherings, we would kid each other we were the only two in the family from Lebanon Cedar High School. Rest of the family was from Cedar Crest. RIP Dave, fly high on your bike, watch those turns. LOL 💙💙

“*Dave will be missed. Dave in Heaven now. We went to the White Mountains in 2018 with the goal of hiking to the top of Mt. Washington. We didn't make it because the weather (rain and wind) was too dangerous. Dave showed me the many trails and how difficult it was hiking there. He taught me how to use hiking poles. We stayed in two different huts and were entertained by staff and crew there. Thank you Dave for being a great friend and brother!!*
