“ *To Janet and the entire family please accept my most sincere condolences. I always found Dave to be an extremely good man and a great friend who loved his family more than life itself. For many years we had coffee/breakfast together 5 days a week at Funks. After solving the worlds problems we always departed in a much better mood and ready to tackle the day. After being transferred to NY and now Alaska we stayed in touch. When chatting it was as if we were just at breakfast the day before. Such a good man who I know will continue to live through each one of you. To Dave: well buddy was hoping to see you in Alaska; I'll miss you and thank you for being my friend.*
