“ *Deb was a wonderful, caring soul, a free spirit by all means, but someone who cared deeply for others. We had a lot of fun times together with Ed Kelley as our copilot! I didn't know she wasn't well and regret not being able to comfort her with a visit.*

Blessings to Scott, Josie, and Donna. I love you.

“ Sending prayers to Deb’s family and Rob, I am so sorry for your loss. When I think of her I see the grin she had when she was happy or the smile on her face when she would come through my office door and we would catch up, laugh or sometimes just listen. She was one of a kind and I truly loved our friendship. Rest now Deb the pain is gone
