“ *I am so very sorry for your loss. I met Deb when I was a waitress at Lantern Lodge, and we became friends, she always had the time to give me a hug and catch up with what both our families were doing. She was at the lodge for lunch on my wedding day to see my gown and meet my husband before our reception. She will be sadly missed. Rest now Mrs.Deb <3 much love*

“ *Deb has been my best friend since 5th grade, so many memories. We were always together when we lived in Myerstown, she would come to the farm and we would go out horseback riding for hours. Sometimes we would stop in a field and have a picnic along the way, we would laugh, cry and tell each other everything. We shared so many fun times and even got in trouble together. You will be truly missed my friend.*
