“ I knew Deb when we both worked at the Good Samaritan. She was always smiling and was always a joy to interact with. No matter how busy she was, she was never too busy to sign for meds, when necessary, nor was she too busy to thank me for delivering her patients' meds to her. Long before short, spikey hair was trendy, she rocked the style and looked so darn cute doing so. She always made me smile.

I send my heartfelt condolences to her family and friends. Deb really was a ray of sunshine in this world. I know her light will truly be missed.

Rest easy, sweet lady.

“ *Debbie and I were friends through out high school and even after that. I will always remember her great smile. My sympathies to both Denise and Darlene who I also knew through out high school. Know that Debbie is no longer in pain and has joined your parents. My prayers are with you and your families.*

“ She was such a sweet lady. She would always be a delight when she would stop in at BMD Eye. She loved to bring pineapple gifts for a beloved friend that worked there. Will always remember her kindness. Elissa
