“ I will always remember Denise’s kindness, especially around Halloween as a small child. I remember her being extra sweet and inviting us into her home to look at our costumes, ask us questions, and give us special treats. I grew up a few homes down from Denise on Bricker Ln. My maiden name is Lindsay Carr, my parents are Tom and Belinda. We are so sorry to hear of this deep loss. Prayers for you, Steve and family.

“ Stevie....you know Denise was like my big sister. I could talk to her about anything....even though we didn't talk as much since her retirement, my last talking with her was the Monday before she passed and she was so excited for your trip to Florida and was finally going to meet my grandbabies. I am still in shock. My heart hurts and I can't imagine the pain in your heart. My thoughts and prayers are with you. Just remember all the good times you had. ❤️

“ *Dear Stevie, my deepest sympathy goes out to you. Though Denise and I haven't talk for a while, we could always pick up where we left off. Denise was funny, smart and loyal. It was always fun to come to your house and hang out with her. Her insights on marriage were hilarious and usually at your expense! Denise was a dear friend and I will miss her very much.*
