“ Judy, Please accept our heartfelt sympathy for your loss. Dennis was a good friend and neighbor. Just hours before we left Friday he had helped me with my boat and the day before he brought "Addy" back from out front. He was always aware and concerned about his friends and neighbors and will be sorely missed. We will miss him greatly and words cannot express the grief and tears. We wish the best for you. Each day is a gift from God to be cherished.
