“ *To the Heim Family*

We are so very sad to hear the loss of your husband, father and grandfather I've worked with Dennis for quite a few years and he has taught me a lot in Training aids and simulators over the years and he is going to be missed so dearly not only to myself but every soldier he has trained throughout his years doing what he loved doing.

“ Donna and myself send our condolences to Teri and the Heim family. Dennis was one of the first people I hired as a Army National Guard TADSS FAC and was instrumental in the SIMNET program and building construction. He seemed to live for taking care of soldiers and their training and would work long hours and travel whenever and wherever needed. He was a great soldier/trainer; soldiers and mission first. In addition, he was a loving person and will be missed by people like me who was the benefactor of praise from others, for his work.

The Army National Guard Program, soldiers, and myself owe him a lot and will miss Dennis, the person, soldier, and patriot.
