“ My deep condolences to the family of Butch Miller...this is how our family referred to him. Butch was such a wonderful person. I am Bonnie and Norm Chretien's sister/sister-in-law, so I have known him a long time. Our family had a lot of get togethers with him. Fun times were certainly had when Butch was around. Butch and I were God-Parents to Norm and Bonnie's daughter (my niece) Laurie Daniel, nee Chretien. I just wanted to express my sadness to you that he is gone; but for sure will not be forgotten. I know that he had been ill for quite awhile and at least your hearts can be at peace knowing he is not suffering anymore and is in a better place. I know that seems cliché; but it is true. I also will remember his corn soup and his crazy poodle that he loved so. May God be with all of you.
