“ Jim, Ryan, Brandon, Austin, and all your family, my heartfelt sympathy to you all. I was so saddened to hear of Dina's passing. I have fond memories of your family's time at the Lebanon YMCA with the LEBY swim team. I can't thank you enough for the support and kindness you all showed me. It was great having the boys swim with LEBY. When I saw the obituary in the paper the other day, I reviewed pictures from the past--team pictures.

I also got a kick out of taking a look at the collage of pictures Mrs. Riley put together from the 1999 LEBY Y national team. Austin do you remember the helmets and construction tape? I hope you all look back on the positive times and goodwill you all spread, especially Dina. May faith, friends, and family uplift you and help through this time.

Now, "may God bless you and keep you, may He make His face to shine upon you and be gracious unto you, and may He lift up His countenance upon you and give you His peace (Numbers 9).

Very sincerely and God be with you,

Joe Donato (coach Joe)

“ To the family of Dina Mayorga Hess, my wife and I want to share our condolences to you Jim, and your family. When I saw the obituary posted by Debra Brosey Tice the name Dina Mayorga caught my attention. I asked my wife if that rings a bell with her of a teen we had met when we were working in San Francisco? And what a surprise we had no idea she lived so close to us. Jim, we never met you and your family but I have a picture of you and also one or two of Dina. We send our love and prayers to each of you.

“ We both are shocked to find out about Dina. Both Jim & Dina were always best friends to us and throughout the decades. They have warm hearts for family and all those around them. Jim & Dina always were proud of all their family and cherished them. Thankfully we know that God holds her in his hands and that she will be making a lot of cookies in Heaven. So, so sorry for the loss. Our prayers are for all those remaining during this time of sorrow. God bless all, Glenn & Martha Peterson, Carlisle PA
