“ My husband and I drove bus with Dolores and Ray for many years. We spent many hours in the bus garage talking and laughing. Dolores was a good cook also, she brought many treats to share with us. I remember taking my daughter to the roller rink and they were always there playing music and serving food. I still have and cherish the snowman display that Ray and Dolores made for me with my husband and children as the snowman. I have also inherited the one he made me for my mother with all her grandchildren on it. They both were very lovely people and I think about them all the time. They were special people and will be missed by many friends and students.

“ I will never forget Delores teaching the Bible lessons when I was in Jr High at church; I thought she was a great teacher and I learned so much from her about the Bible.

“ *Dolores was a big part of my memories at the Mt. Gretna roller rink. If her husband was playing the organ, Dolores was working the concession stand. She will be missed.*
