“ Please rest in peace Donald, you are now reunited with your family and in the kingdom of God. We all have such good memories of you throughout our 60 + years together. We will never forget "Tractor in the Mud", and how you gave us laughter, and taught us patience and politeness. Your classmates from Palmyra High School Class of 1973.

“ Donald was a kind, gentle and gracious soul throughout his entire life. Once he knew you, he'd never forget you. Years ago he had an old pick up truck that he drove from Campbelltown to Palmyra, always giving a toot on the horn with a smile and friendly wave. Our spirits lifted when we saw him coming down the road... "there's Donald"! It warmed our hearts to visit with him just weeks ago when he attended the services for our beloved wife/mother (Nancy Smith). You were loved Donald and will not be forgotten. Bernard, Carl, Bonnie

“ Ah, what a kind, happy soul. Always a classy dresser and a comical character. He was always telling me how he had a car lot in Etown and he would buy me any car I wanted in every color. No matter what make of car I wanted, he had it! When I was in a car accident, he brought me a Bible, which I read entirely. He was a true example of Christian love. I will miss seeing him at Legends, the American House (where he lived), and standing along the street waving as he walked home from Quest. If only he knew how many truly loved him :(RIP, Donald

“ I had the pleasure of meeting Donald and witnessing first hand his humanity and courage when he braved the most brutally cold and snowy morning to pay his respects to my dear friend and family member, Nancy Smith, in January. I am heartbroken to learn of his untimely passing in such a tragic manner. Surely, he is resting in the peace assured to all those who walk and live in faith. My deepest condolences to all those who knew and loved him. Most sincerely,
