“ Dorothea was a great neighbor and was always there when a family member was sick with her homemade soups. Dorothea was the kind of person most people would want to emulate. She was my mentor growing up. A person who never got angry nor talked bad about anybody. She was a woman who you respected and had a lot of patience when she worked in her yard. I will miss my friend and chatting about the old times but I will especially miss her pretty smile and friendly disposition. She was a gracious lady, friendly, welcoming, dignified and well mannered. There will be a special place in heaven for our Dorothea.
