“Offering our deepest sympathy during this difficult time. Though we didn't know Mrs. Bordlemay personally, we think of her often. We do our best to love the house as much as she obviously did.”

“So sorry for your loss. Ed and I have to work Tuesday, but we will have you in our thoughts and prayers. We really enjoyed your mom. She would laugh and have fun when she went with us to the band concerts! She enjoyed when I brought Cozmo to see her at LVHome. She was such a quiet, loving lady. We will miss seeing her smile.”
