Tribute Wall

“ Mike, Jim, Kelly and Amy, I am so sorry for your loss. Your mother was an amazing women. She had a kind and gentle soul. I always loved her. She accepted me in the family and taught me many things, especially how to cook. I remember going grocery shopping with her at Martin's, she would drive us there in her green dodge, and how the boys would tease her about being short and only being able to see the road by looking thru the steering wheel. I loved her and respected her as a mother in law, and I hope that I can be as good as she was with my daughter in law. She loved her family immensely, and it showed. Rest in peace, dear lady, you will be greatly missed, but not forgotten.

Dear Farst family, what I remember about my cousin Dot is that she wasn't just a pretty woman on the outside but beautiful on the inside. She was a gentle soul and people enjoyed being around her. May God pour out His comfort on each of you.
