

Douglas Jay Meyer

November 5, 2021

Douglas Jay Meyer, 58, walked through the gates of Heaven into the presence of his Lord and Savior, Jesus Christ, on November 5th, 2021 at the Penn State Hershey Medical Center.

Doug was a member of Kauffman's United Methodist Church. In his earlier days he worked in the printing industry, including jobs at the Lebanon Valley Offset and Sowers Printing. More recently he worked as a real estate agent, and spent his winter months preparing income taxes.

Doug enjoyed many sports and was a fierce competitor. In his younger days he played Little League and Teener baseball for Bellegrove, and enjoyed playing ice hockey. He played tennis frequently and was an avid golfer, winning many golf trophy's over the years, as well as sinking 4 hole-in-ones. Doug could frequently be found on the golf course at the Lebanon Country Club. He also enjoyed fishing at his Aunt Cindy's pond, always being careful not to harm the fish, and throwing them back. Doug enjoyed traveling on golf trips, hitting the casinos in Atlantic City with his brother, and vacationing at many fun places with family and friends. Wildwood, New Jersey was one of his favorites. During the Holidays, Doug and his brother Greg would spend hours and hours playing Gears of War video games.

Doug is survived by his parents, Larry and Boneta Meyer; brother Greg

Meyer, sister Jamie Yiengst (Bradley), uncle Lyle Meyer, aunt Cynthia Pick, nephew Harrison Yiengst (Lexi), niece Miranda Stickler (Nick), grandnephew Forrest Yiengst, and several cousins. Doug will be sadly missed by his many friends and acquaintances; and especially by his dear friend Carole Zentz.

A Celebration of Doug's life will be held at the Lebanon Country Club on Wednesday December 1st at 1:00 PM. This will immediately be followed by a lunch buffet and time of mingling to share memories of Doug. Internment will be conducted privately at the convenience of the family.

In lieu of flowers, contributions can be made to St. Jude Children's Research Hospital in memory of Doug.

“ I got to know Doug while working at Print Shops over the years, Sowers and Lebanon Valley Graphics. I came to appreciate Doug's sense of humor and laid back attitude.

Prayers for God's peace and healing for Dougs family and his many friends.

“ I grew up next to Doug and the Meyer family. We spent many summer days in the basement playing risk, monopoly and chess. Even though I was younger I always thought I could beat Doug but that never happened. He was so competitive back then over a board game? Really? That's the man we all knew well. 45 years ago he made me a pizza with pineapple.. I think he invented it! Doug would end up coaching my Teener baseball team where after games we would go to Pizza Hut a....lot. At age 14 I was taught how to drive by yes you know who....Doug. Years down the road I ended up renting a house from him, would always stop for a cocktail on Fri nites. We had so much fun together over the years and he taught me alot only wish I would've learned golf from him and what a golfer he was. I will miss you my friend!

“ I knew Doug primarily through tennis and we played many times. Often, Doug's partner was his father. It didn't seem to matter who I played with, Doug and Larry would come out on top. I loved the challenge of competing against them and Doug's overwhelming serve and overhead.

How lucky Doug and Larry both were. What better partner can you have than your father. or your son. I know they treasured their time together as they whapped me and my partner of that day, 6-1, 6-1.

Doug will be sorely missed, both on and off the court.

“ I'm so so sorry for your loss, and the world's loss of a really good man. I worked with Doug way back in the LVO days, played tennis together back then too and was amazed at how he played so well. Then over the years, a continued business relationship around printing. He was highly respected by everyone, always willing to go the extra mile and always really friendly. God's comfort to you all.
