“ So sorry to hear of Lee's passing. My Parents and I have known Lee and Peg since 1972 when we moved to Colonial Village in Jonestown. We were their next door neighbors, The Maces. I have fond memories of babysitting Robin, Chris, and Jennifer on a regular basis. I also remember Lee and Peg being at our Holiday and neighborhood parties.

*My condolences to Peg and the family.*

“ Lee was my BIG cousin and I likened him with the Beach Boys for some reason, as I'm 9 years younger and a first cousin. We loved going to Towanda, PA. to see Aunt Betty and Uncle Byron, (Lee's Dad). This was in the mid 60's. It was always a blast. One time we were lucky visiting and Lee just got 409 Chevy, I think an Impala or Biscayne. He put a roller cam, etc. in it and I think it had a 4-speed transmission. I was in the back seat and my Dad, Chuck Hile was in the front and Lee driving. He nailed that thing and I got pinned to the back seat and WOW!!! From those days on we always kept in touch with the Old's and the Chevy's. So me, the younger cousin always admired Lee and his sister Susan the Centerfold!!!!!!!!!!!!!! What a ride!!!!!!!!!!!!!! “ My condolences to the family, when i was a kid i went to Dr.Clarks office. He helped kids like me to not be afraid to go to a dentist, plus the treasure chest full of little toys I enjoyed as a kid.

“ *Dr. Clark will be sadly missed but never forgotten. He took me under his wing and taught me the dental assisting profession --and 30 years plus later --he ended up being not just the Boss but a mentor and a good friend. He loved dentistry and "teaching" dentistry --he was always up to date on the technics and supplies. THE Doc was always helpful to all --even offering "taxi" service to work on snowy days! Doc was concerned about anything happening in your life. He retired a few years before me but we always kept in touch. Deepest sympathy to Peggy and family.*

“ *My Condolences to you peg and children!! I will miss Dr Clark so much!!! We became good friends after one day answering his ad for dental assistant, we worked briefly together but remained friends even when I moved back to NJ! He was the dad I wished that I had!! His words of wisdom, advise(whether you liked it or not) and his jokes are going to be deeply missed!! Rest assured he is at peace!*
