

Dr. Musaddiq N. "Mo" Nazeeri

September 3, 1966 - July 20, 2025

Dr. Musaddiq N. Nazeeri ("Mo") passed away on Sunday, July 20, 2025. Born in Detroit, Michigan on September 3, 1966, he was the son of Patsy Lundsteen of Sandy, Oregon and son of the late Makeen A. Nazeeri of Detroit, Michigan.

Musaddiq is survived by his wife, Sarah M. Nazeeri, née Rosselot, by his five children, Albert I. Nazeeri of Stanford, California, Elizabeth R. Nazeeri of Pikeville, Kentucky, Victoria E. Nazeeri of Santa Monica, California, Alexander D. Nazeeri of Santa Barbara, California, Alfred J. Nazeeri of Lebanon, Pennsylvania and by his four siblings, Furqan Nazeeri of Los Angeles, California, Yasmeen Nazeeri, wife of Kevin Hurst of Bend, Oregon, Marjan Salveter, wife of Bob Salveter of Sandy, Oregon, and Iman Nazeeri-Simmons, wife of Taj Simmons of Bend, Oregon.

Musaddiq was a 1989 graduate of the University of Michigan with a bachelor's degree in physics, a 1991 graduate of the University of Oregon with a master's degree in physics, and a 1995 graduate of the Wayne State University School of Medicine.

A brilliant and compassionate family physician, Dr. Nazeeri dedicated 27 years of his life to the well-being of his patients and community. His work supported generations of families, grounded in a strong sense of responsibility and respect for those he treated.

In addition to his extraordinary career in medicine, Mo was an accomplished pilot. He found joy and freedom in the skies and flew with precision and grace.

He brought that same sense of direction and curiosity to every facet of his life. Mo had a fascinating mind, a unique perspective, and a quick and witty sense of humor. As a father, he created endless opportunities for his children to learn, explore and grow. He will be deeply missed by his family, friends, colleagues, and the many patients touched with his care.

A memorial service will be held at St. Luke's Episcopal Church, 22 South 6th Street, Lebanon, PA 17042 on Saturday, August 2, 2025 at 1 pm.

“ I started going to Dr Nazeeri I believe in 1999 or 2000 when he was still in The Hyman Caplin building and he asked if I would like to be one of his patients as he was opening his own practice. He help me and my family a great deal over the years. I introduced him to my wife in the 4th street office. There we met Sarah and I remember their daughter Elizabeth (I think) playing on the floor during our early visits. Always the professional as well as helpful doctor stepped up his game and moved to poplar street where the office now matched his professionalism his staff always friendly people and always like family made your visit comfortable. And it always seemed Sarah was around to help anywhere and how ever she could. Always felt like family. He will be missed by the community her served. Sarah, I have no choice but to work Saturday, but I will be there in spirit. And rest assured that you and the kids are in our prayers as are the girls on the staff. Love and peace to you all.

“ Dr. Mo and Sarah came into my life at exactly the right time. I will always be grateful I had the opportunity to work at the practice (2001-2003). Dr “Mo” gave me a chance when I felt young and inexperienced in the working world. I learned so much and will always be grateful for the kindness and generosity of him and his family. My condolences to all of you.

“ I will always be grateful to Dr Nazeeri and Sarah for letting me join the practice years ago. It was such a privilege to work there for 5 years, learning as I go along. Both Dr. N and Sarah were such patient teachers. I've enjoyed his humour, his intelligence, his knowledge of a variety of things and her sweetness and caring ways. This is why even after I left, I still used the practice as my PCP. Rest in peace, Dr Nazeeri. Sending love and prayers to you, Sarah, and to Albert, Elizabeth, Victoria (whom I know) and the other 2 kids.

“ I worked with Dr. Nazeeri at Manor Care for several years. He was well respected and well liked by his colleagues and patients. As a nurse, I would always be nervous when I needed to call a physician at night but not Dr. Nazeeri. He understood that if I had to call him it was because there was an emergency. Not many physicians considered nurses knowledgeable enough to know what had to be done but Dr. Nazeeri never made nurses feel like they were idiots. He would consider what nurses had to say and would also collaborate with them. He will be missed by colleagues, family, patients and community. My deepest sympathy to the family.

“ I had worked with Dr. Nazeeri as a nurse at Manor Care Lebanon for many years. He was one of the kindest, most compassionate Dr's I've ever had the privilege to work with. Not many Dr's take calls 24/7. This Dr. even took international calls while on vacation in France. Kind, dedicated, patient and always friendly. As many nurses know- it's not always a pleasant situation when you have to ring a Dr. numerous times for a late night admission/ orders/ order clarifications. But with Dr. Nazeeri- you never dreaded that phone call. He will be missed by many. My condolences and prayers to his family & friends.
