“ Uncle Jim, We are glad your suffering is over but your presence leaves a void that cannot be filled. Because of your many years of service in the Air Force, we had the opportunity to travel to many different places. My first airplane ride was to London, England and even though I was only 8 years old, I have vivid memories of Big Ben and riding on the double decker buses. The summers that I got to spend with your family in Ohio were always fun. You and Aunt Viviane never let me forget about the incident with Wormy or playing on the yellow line along the turnpike! Germany was beautiful as well as France and you were always a great tour guide no matter where we went. I am so glad you got to enjoy your retirement and I know my parents loved spending the winters with you and Aunt Viviane in Florida. I am very thankful for all the wonderful memories, the laughter and fun we had when our families would get together, including last summer. You will be greatly missed. Love you. Kim
