“ I only heard about Uncle Earl's passing this evening from my sister Dawn, who received a note from Aunt Bonnie. Had I known earlier I would have been at the funeral today. I feel badly that no one from our family was represented at the funeral. I am so sorry to hear of Uncle Earl's passing and want to extend my deepest and most sincere sympathy to Aunt Bonnie, each of the children and grandchildren. What a blessing it is to know that he is no longer suffering and is with his Saviour whom he loved and served to the end. We also have that hope that we will be see him again.
