“*Earl, I still think every time I go out by your house how every time I'd stop you would encourage me to be a better man. And it was you that made the difference in my life style just taking that moment to care enough to throw positive encouragement my way. Thank You! You were very helpful and I am very grateful for such an experience I had in such a good Uncle that cared! You missed in many ways in every part of my every day!! Rest In Peace!!*
