“ Arlene and family members:What a surprise today to open the synod news and see that Earl died. I am sorry I can not make the service because of my working and also my wife's brother-in-law died and will have a service at the exact same time which I also can not make.I will long cherish the time we spent together with doing church work and personal social life. May you find peace knowing Earl has taken up residence in a much better place for eternity.Pastor Jim Stougu
