“ *My sincerest sympathies to the Krum family on your loss. I knew Ed when I was a Milton Hershey student and he drove me to many football and basketball games. And then reconnected with him as a teacher as he took me and my students on many field trips. His warm and caring heart was always evident in the way he greeted you, spoke to you, and took an interest in you. I have many fond memories of Ed and am extremely sad to know he is no longer with us. He is and will be extremely missed.*

“ God must certainly have a higher purpose for Ed. We, here on earth, are feeling such great loss and thinking he was taken much too soon. He was helpful, hard working, and a true friend. He touched the hearts of so many students and coworkers here at MHS. he will be sorely missed.

“ I considered Ed one of my best childhood friends. We spent a lot of time together during childhood and teenage years. Many memories. First jobs at Landis Shoe Factory, Reese's and Steel Foundry. Ed was a very talented and gifted athlete. I admired his ability to make a throw from deep in the shortstop hole. And he could hit!! I lost contact with him through the years, but I recall a brief conversation with him several years ago in which he expressed his Love for our Lord. I know he is with him now. I'll see you in HIs house one day.
