“ *My thoughts and sympathies to Elda's family and friends. She is always in my heart. I always enjoyed visiting her. She was so sharp and quick with her memories & recollections. We talked for hours about anything and everything. She was a huge help when I was doing genealogy work on our Light Family. Oh the stories! She collected and gave me a lot of old family photos, most of people I hadnt met, or only met as a very young child. I am forever grateful for her kindness.*
