Aunt Bunny had an amazing infectious smile. You could not help to smile or laugh when you saw her smile or heard her laugh. She loved her desserts 🍰 and she loved Western Omelettes with Swiss cheese and Perkins grilled blueberry muffins. She loved her family very much and was always welcoming to everyone. She loved holding babies. I am missing you Aunt Bunny. I know you are no longer suffering. Love You 💕💕

“ ✨ Bunny was well known for her smile and her laughter 😊 it was sweet how quickly she made people feel at ease and smile while out shopping, she just had a way to make you feel good 💕 we had a lot of fun relaxing and driving around listening to George Harrison and reminiscing of our sweet mom and dad ❤️. My kids just named her the baby whisperer because of her deep love of her family as well as any child she'd meet out in public 😊. She was a gem and wish she was still here 😞 but she is at peace and with The Lord 🙏 Hugs, Bun Bun 🤗🤗
