“ I have many wonderful memories of "Aunt" Betty. She always had the ability to bring a smile to your face, no matter what the circumstance. Growing up in Lancaster, she visited our church many times for Lay Witness Missions. I'm thankful for her Christian example, not only to me, but also to my parents and the rest of my family. Every time I hear the song, "Dig them out, get them going, all the little bunnies in the field of corn" I think of her playing with me when I was a little girl. I know I've been blessed to have known her.
