“ To the family of Elizabeth Ann Hoke, I want to extend my deepest sympathy to you. I was so saddened to learn of her passing. I never had the pleasure to meet her in person but had numerous phone conversations with her over the years. She was such a caring person and she always left a smile on my face after each conversation. God Bless.

“ I am so sorry to hear of your loss. I was a child when I knew her and remember always her welcoming smiles and hospitality on the farm in So Annville. She was also active in our 4-H and made the best Iced tea and cookies. The whole family was a significant part of my brother Brad's life and gave him a love for working the earth. I know you will miss her.
