“ Our hearts are heavy for Mick, Glenn, family and friends. Eric always had a smile and my best memory is when he was young, we were 'ITSA' football buddies. May God's Grace and Peace surround you all. 🙏

“ The smile that I see in the picture of Eric is how I remember him. I haven't seen him since the 80's when he worked for me as a truck driver. I was saddened to hear of his passing. My thoughts and prayers are with the family and loved ones.

“ I got to know you several years ago when I was caring for Dad. That's also when I met Reggie and have never forgotten any of the memories. Your dad and I knew each other for a long time without realizing it. I made sure I took care of not only him..but also you and Reggie. It was a goal of mine this year..to reconnect and visit with you and Reggie. I will miss you my friend. Thank you for our friendship, checking on me during difficult times and always making me smile! You made a difference with so many! Love you my friend.
