“ To the Keller family. The Henry and Grace Early family. Always enjoyed spending the great summer holidays with you. I remember we would always get the summer food for the great Picnics we had on the Early farm and then on the Early hill. We would always look forward to your family coming over and the fun we had. Evie was always so funny and Squeak he would always give us something to try like head stands in the yard. Special dives off the diving board. He would always help the kids to get to do all his cool tricks. the trips to beach with the two families we just would have a fabulous time. The July 4th firework displays on the early hill. And I still say Evie's great words "Now knock it off" Love you Keller family. and thanks for sharing your lives with the Early family. Your mother will rest in peace. Love you all the Henry and Grace Early family, Rick and Deb Kleinfelter family. Paul and Patty Lytle, Frank and Sue Early and Bill and Pam Early.
