“*Grammy, I love you and miss you. You've taught me how to smile when I was mad, to laugh when I was sad, to love myself and accept people for their differences. I cannot possibly begin to list all the things that I'm thankful to you for, nor could I say thank-you enough to cover the debt. I am honored to say that you've touched so many lives during your walk through this world, I'm glad I was able to be one of them. Your toils here on earth are done and Father has called you home. Rest peacefully Grammy.*
